The #1 Authority
on New Places
in Singapore
**GREAT
NEW
PLACES**

Conceived by Satinder Garcha and designed by the legendary Jacques Garcia, it will be the only hotel of its kind in Singapore to offer a rotational 'artist in residence program.'

Guests will have the opportunity to mingle with resident artists over a beautifully crafted cocktail, dine alongside a live fashion show, watch an independent film, or listen to a jazz quartet. All of this against a flexible thematic backdrop, enabling an unending fluidity of design.
