# PARTY ARTY

Festive soiree in Hotel Vagabond's salon

By BEN CHIN

Officially opened in September, Hotel Vagabond is the first and only hotel in Asia designed by renowned French designer Jacques Garcia. The Garcha Hotels property is the first in Singapore with an artist-in-residence programme. This gift is for a bespoke dinner party organised by the hotel for 60 guests for Christmas or New Year's eve.

What's a party without a little decadence? Together with a sumptuous four-course dinner, guests will enjoy a heady selection of red wine, white wine or Perrier-Jouet Brut champagne. Whisky connoisseurs, on the other hand,

will really appreciate the two special bottles of single malts - Laphroaig 25 Year and Balvenie 30 Year - hand-picked for the soiree.

The fete is hosted in the hotel's opulent Parisian-inspired salon, which features hand-crafted gold leaf trees and an array of curated artwork. As the festivities wind down, your guests can look forward to a relaxing night in their own Jacques Garcia-designed rooms.
