10 Boutique Hotels in Singapore You Should Visit

Intimate in size but with a big personality, boutique hotels are known for their exotic ambience, creative interior – granting a pleasant stay despite the reasonable price. Characterised by their unique designs or themes, here are some of the quaint and luxurious boutique hotels in Singapore for the perfect weekend getaway or staycation without having to break your bank.

1. The Quincy Hotel

Distance is never an issue at this 4-star establishment – situated right at the edge of our lively Orchard Road. The Quincy Hotel's signature All-day Light Refreshments benefits, along with personalised guest services and a selection of quirky and fun lifestyle activities offered at the hotel, promises a different stay experience. Whether you are on a work trip or a leisure holiday, the convenient Mac desktops at the lobby and their colour-changing, LED illuminated pool deck at the infinity pool will deliver nothing short of elaborate extravagance.
