# STAY WITH ME

*Check into two chic hotels for your next retreat*

Hotel Vagabond

**92.** Designed by French architect and designer Jacques Garcia, the 42-room **Hotel Vagabond**, which sits between Little India and Kampong Glam on Syed Alwi Road, is the first hotel in Singapore with an artist-in-residence programme. DJs, musicians, painters and sculptors will be on rotation as part of the scheme.

The South Beach

**93.** Right opposite Raffles Hotel is the new **The South Beach**

hotel with 654 Philippe Starck-designed guest rooms and suites and installations by Asian artists Lee Lee Nam and Soh Ee Shaun. The hotel is part of the South Beach mixed-use development that comprises offices, residences, retail space and a private club.
