Hotel Vagabond to Open in October 2015

Recently opening in October, Hotel Vagabond is Singapore's first experience-driven luxury boutique hotel with a Salon area designed to immerse guests in the theatre of art, food, drink and conversation as well as the only hotel in the country to feature an Artist in Residence program. The hotel is also the first and only hotel in Asia to feature interiors by the celebrated French designer Jacques Garcia. Garcia is best known for his design of Hotel Costes in Paris, Hotel Danieli in Venice, Hotel Mamounia in Marrakech, and most recently the Nomad in New York.

Vagabond Salon

The heart and soul of Hotel Vagabond is the Vagabond Salon – a modern interpretation of a Parisian salon - where guests will have the opportunity to mingle with resident artists over a beautifully crafted cocktail, dine amongst a performance, watch an independent film, or listen to a jazz quartet.

Guests of Vagabond Salon can enjoy a five star dining experience courtesy of 5th Quarter, a collaboration between Satinder Garcha and celebrated restaurateur Loh Lik

Peng, run by award-winning Executive Chef Andrew Nocente and offering cuisine using traditional methods of curing meats with the aid of modern instruments to maintain the integrity of flavours. Drinks are served from the Vagabond Bar, conceptualised by renowned drinks collective Proof & Company and offering an eclectic rotating selection of handcrafted cocktails, artisan spirits and wines, and a curated collection of rare and exotic teas and coffees. Craftsmanship will be the central feature of Vagabond Bar's style, with drinks that blend an unexpected attention to detail with a generous measure of theatre. With 5,000 square feet of luxurious interiors, superb acoustics, and dressed in thick red velvet curtains, the Vagabond Salon is also designed to work as a fully integrated, adaptable event space.

Artist in Residence Programme

Hotel Vagabond will be the only hotel of its kind in Singapore to offer a rotational Artist in Residence programme. With an emphasis on writing, photography and performance art of all kinds, artists will be invited to apply for residencies of up to three months. Artist Cocktail Hour in the Vagabond Salon will start each evening at 6pm; a time for hotel guests and other Vagabond folk to talk and interact with the artists in residence.

Art at the Vagabond

Hotel Vagabond will also be a space for art – both for pleasure and function. Every piece has been personally sourced and commissioned by Satinder Garcha.

- The solid brass Rhino reception desk, took 8 months to create across 15 villages in Rajasthan. The family who made it have been making armoury for the Rajasthani royal families for generations.
- The pillars in the Vagabond Salon are transformed into golden brass banyan trees through delicate metalwork created by centuries old artisanal techniques.
- Life-size elephants 'hoisting' up the main elevator are iconic of Jacques Garcia's style and made painstakingly in France by the artist Franck Le Ray.
- An impressive monkey sculpture forms the centrepiece of Vagabond Bar – the workmanship of French artist and sculptor Franck Le Ray.
- Video art installation by Marco Brambilla, a Milan-born, New York City-based video
