SINGAPORE

from £182 per night

12h 55m from London

Hotel Vagabond is Singapore's first experience-driven luxury boutique with a Salon area designed to immerse guests in an opulent theatre of art, food, drink and conversation. The hotel is the first and only hotel in Asia to feature interiors by the celebrated French designer Jacques Garcia.

The luxury accommodation at Hotel Vagabond consists of 42 rooms and suites, each individually designed. Oversized and luxurious, the Vagabond Suite is perfect for honeymooners. It provides the finest accommodation, complete with separate living area, high ceilings and skylights which illuminate the room with natural light.
