## ARTIST IN RESIDENCE

Hotel Vagabond has announced its latest Artist in Residence—New York DJ Captain Planet, aka Charlie B Wilder. Wilder will mix with guests for Artist Cocktail Hour and play his global music on select nights. Hotel Vagabond is the only hotel in Singapore to offer an Artist in Residence programme, where artists are invited to stay at the hotel for a maximum of three months. The only pre-requisite is they leave something of their art behind when they go. Visit [hotelvagabondsingapore.com](http://hotelvagabondsingapore.com)
