immerse guests in the theatre of art, food, drink and conversation as well as the only hotel in the country to feature an Artist in Residence program. The hotel is also the first and only hotel in Asia to feature interiors by French designer Jacques Garcia.

The heart and soul of Hotel Vagabond is the Vagabond Salon – a modern interpretation of a Parisian *salon* – where guests will have the opportunity to mingle with resident artists over a beautifully crafted cocktail, dine amongst a performance, watch an independent film, or listen to a jazz quartet. Guests of Vagabond Salon can enjoy a five star dining experience courtesy of 5th Quarter, a collaboration between Satinder Garcha and celebrated restaurateur Loh Lik Peng, run by award-winning Executive Chef Andrew Nocente and offering cuisine using traditional methods of curing meats with the aid of modern instruments to maintain the integrity of flavors.

Drinks are served from the Vagabond Bar, conceptualised by renowned drinks collective *Proof & Company* and offering an eclectic rotating selection of handcrafted cocktails, artisan spirits and wines, and a curated collection of rare and exotic teas and coffees. Craftsmanship will be the central feature of Vagabond Bar's style, with drinks that blend an unexpected attention to detail with a generous measure of theatre. With 5,000 square feet of luxurious interiors, superb acoustics, and dressed in thick red velvet curtains, the Vagabond Salon is also designed to work as a fully integrated, adaptable event space.

Vagabond Hotel is part of the **Garcha Hotel Collection**.
